NATIONAL NIGHT OUT

Thank you, Thank you, Thank you,

Thank you very much to all our Neighborhoods, Families and Community leaders that took part in NNO. With special thanks to local churches and agencies that hosted this year's event. Also to local businesses and vendors who supported NNO through donations and financial support. Even with the threat of rain, it was a great turnout.
Special Thanks to Jackie Marrero for all her planning and behind the scene work.
The York City Police Department looks forward to next year and working with you again.
