Celebrate York City

**Become a
Friend of York City
and support the 2016
York City
Special Events**

Thank you for your interest in York City Special Events

Believing that special events set the tone of a community, the City of York has created a way for individuals to support special events and personally make a difference in the city where they live, work and play. The Friends of York City is a program that allows individuals to make a monetary donation that they are comfortable with. Even the smallest donation makes a significant difference.

Our special events are mainly funded through corporate sponsorships, vendor fees, grants, and private donations. The City of York wants to ensure the success of future special events by enlisting the support of individuals through this program. By becoming a Friend of York City, you are monetarily supporting the City's special events as well as serving as an advocate for the future of these beloved community traditions.

Now that's something to celebrate!

CITY OF YORK • Mayor C. Kim Bracey

These events are part of the York City 275th Anniversary celebration. Founded in 1741, the city of York, Pennsylvania—named for York, England—was the birthplace of the Articles of Confederation, held the first national day of Thanksgiving, and was the Capitol of the United States for nine months in 1778. It was here in York that the words “The United States of America” were first spoken. In the 275 years since its founding, York has been part of the growth of this nation as well as the growth of its inhabitants. For more information on the 275th Anniversary celebration and slate of events, please visit www.yorkcity.org/york275.
