## About the York County Harley-Davidson Owners Association

The organization was founded in 1980 by a small group of Harley enthusiasts and incorporated in 1986. Since that time it has grown to 100 members and associates, supporting area charities including Hershey Medical Center, Children's Miracle Network, and ACCESS York through charity events. YCHDOA has been a co-sponsor of **YORK BIKE NIGHT** from the beginning by helping with the planning and having their members help run the event. If you need help or have questions during Bike Night, just look for members in the red STAFF shirts; they are all volunteers trying to make **YORK BIKE NIGHT** one to remember.

## 2016 Bike Night Grand Marshal: THE MOTOR MAIDS

In the late 1930s, a young woman motorcycle enthusiast named Linda Dugeau of Providence, Rhode Island, conceived the idea that there might be a number of women who owned their own motorcycles and might be interested in becoming acquainted with one another. Linda wrote to dealers, riders and anyone she thought might know of women motorcycle riders. After this extensive search, she compiled a list from which the Motor Maid organization was founded with 51 Charter members in 1940. The American Motorcycle Association Charter #509 was issued to the club in 1941.

Today, 76 years later, the Motor Maids are one of the oldest continuously operated Women's Motorcycling Organizations in North America with a membership of around 1,300. It is a diverse group of ladies coming from all walks of life, from all corners of the U.S. and Canada with a passion for riding, promoting safe riding habits, and showing the world a positive image of ladies on motorcycles.

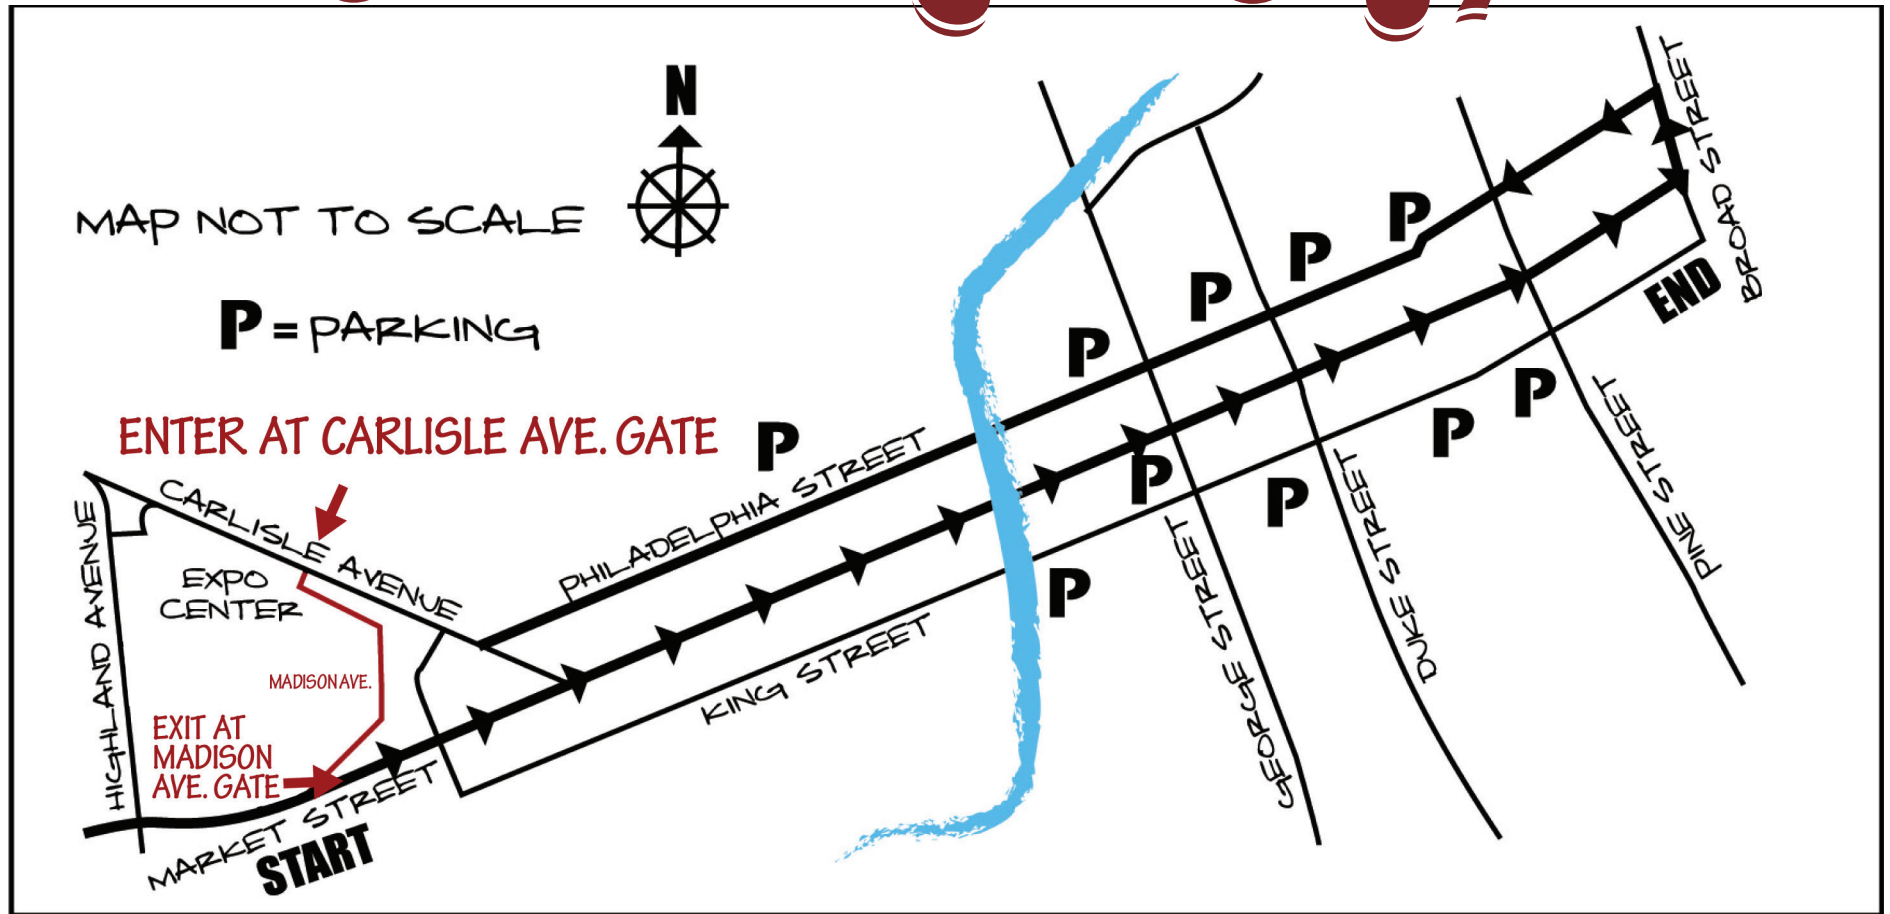

Ten years ago, the Motor Maids were Grand Marshals for the York Bike Night parade. Each year since, they have held a position of honor behind the Grand Marshals and theme bikes. To commemorate those ten years, we have invited the Motor Maids to once again lead the parade as Grand Marshals.

Each year, all Motor Maids who ride 10,000+ miles the prior year are recognized for their achievement. If you check the back of their uniform vest, you will see that these ladies are in fact from all parts of the country and Canada. True to their By-Laws, have ridden their bikes to get here.

## NEW EXHIBITS FOR 2016
