On the Cover

The City of York is proud to partner with Brenda Wintermyer as our featured artist for this year's Yorkfest. Artist Brenda Wintermyer is taking her hometown of York, PA, by storm. Her vibrant, high-energy paintings have become popular in the York art scene, making Brenda's works some of York's most recognizable.

Using the skillfulness of an illustrator's hand, her linear work reflects the styles of Lautrec or Matisse. Her color palette follows van Gogh and the Fauve artists.

She moves, drips, pushes, and manipulates her medium with the confidence of a life-time painter. One art reviewer describes her approach to color as "absolutely fearless, not only bold but also brave," adding that her work is "unpredictable, unexpected, uncompromising." Brenda's collector base has been growing steadily. Undoubtedly one of York's most sought after artists, she is being commissioned by restaurant owners, international corporations, and private collectors.

Brenda teaches a variety of workshops throughout the year. Classes are small, no more than two per class, and are taught to the level of each student. Having taught at Bradley Academy, Art Institute of York, and York College of Pennsylvania for a decade, she is now able to draw upon those teaching skills in the relaxed, intimate environment of her downtown York studio gallery.

Brenda's workshops have become popular with many, from beginning to emerging artists, to creative minds looking to improve their quality of life. Her instruction has strong emphasis on drawing, which then progresses on to painting.

"Competent drawing skills are the foundation of all art. I can teach anyone to draw ... if they have the desire. I teach my students how to see correctly. Once they learn to see, the drawing comes much easier. I am passionate about my art. Teaching my knowledge of drawing is extremely gratifying. The purpose has always been to empower and inspire all those who come to share my studio with me."

275th Birthday Time Capsule!

1741 to 2016! 275 incredible years for our White Rose City! 2016 has been packed full of opportunities to celebrate this auspicious anniversary. To close out this year in celebratory fashion, Salvaging Creativity has made a truly unique time capsule for our City. If you've seen their work, you know this will be one of the coolest capsules created. On display at Yorkfest, this piece will double as public art as well as a capsule to capture this moment in York history.

In the coming months, look for opportunities to submit artifacts to include in this capsule and mark your calendar for Light Up Night, the First Friday in December, when we will seal the time capsule and close out this momentous year for York!

Welcome to Yorkfest 2016

A brief history of the event...

The Yorkfest Fine Arts Festival is York's premier summer fine arts festival along the Heritage Rail Trail and in the courtyard of the Colonial Court House. The 2016 event reflects the partnership between the City of York's former Riverwalk Arts Festival and Exhibition and the Yorkfest Music Festival, which began as part of York County's 250th anniversary celebration in August 1999, and is now an event run by York City Recreation and Parks.

The mission...

The Yorkfest Fine Arts Festival celebrates the arts with an annual presentation of diverse, high-quality visual, performing, and literary arts for the enrichment, education and enjoyment of Central Pennsylvania and beyond.

Restroom Facilities

Portable restroom facilities are available throughout the festival grounds. Please consult the map in this program for locations. Indoor restrooms are also available inside the Agricultural and Industrial Museum, near the south entrance to the festival.

First Aid

First Aid services are located on Pershing Avenue near Market Street.

ATMs

For your convenience, two ATM will be located inside the Agricultural and Industrial Museum. Our Information Booth also has a listing of nearby ATM machines.

The rest stop seating areas throughout the festival grounds and the shuttle bus from HACC York Campus are made possible by a grant from the Hahn Home Fund of the York County Community Foundation.

Poetry Spoken Here

The Yorkfest Poetry Spoken Here tent will feature dynamic poets from York and surrounding areas reading in an open tent on Pershing Avenue. Performance poetry, dramatic poetry, page poetry and spoken word play a part in this two-day presentation of all of the ways poetry can be imagined and presented. Poetry in 15-minute segments all day both days; passers-by are welcome to jump in and perform.

We Can Build This City

A partnership of the Cultural Alliance and York 275th anniversary, We Can Build This City is a commemorative hands-on project where people can build a city of their dreams out of cardboard. The project will be led by artist David Lynch, and will reconstruct the York Cityscape in a six-foot-tall version using corrugated cardboard, recycled supplies, and imagination at public festivals and events throughout the year, including here at Yorkfest. All ages are welcome to participate. Look for this activity in the first block of North Pershing Avenue. Come walk through the six-foot-high streetscapes you created in a public exhibit starting on October 15th at the York County History Center Agricultural & Industrial Museum! For more information, visit www.culturalyork.org.

Music Around the World

Join us on an exploration of the exciting world of music, song, rhythm & dance with a wide variety of musical instruments from around the world. Children and adults alike are encouraged to express their musical creativity on the balafon with calabash, afuche kabasa, djembe, bodhran, maracas, ukulele, steel drum/pan, harps and more.

organized by Prime Art Supply Company

ChalkWalk is an exciting and colorful Yorkfest event happening on Saturday, August 27, beginning 10 a.m. along Market Street between Pershing Avenue and Beaver Street. ChalkWalk is designed to celebrate the creativity of artists and promote the importance of public art. The street becomes an artist's canvas and a place for the community to watch works of art being created right before their eyes.

Artwork will be judged by a panel in three categories: Adult, Teen, and Family. The public is also invited to vote for their favorite to win a "People's Choice" award.

Extremity (7:30 p.m.)

Extremity is a band from York. They play an eclectic style of music from soulful ballads to hard driving funk. Extremity is the brainchild of Don Carn and Larry Lentz and has been together for more than a quarter century. They have been featured in many major Jazz Festivals and are still going strong to this day.

Don Carn (violin and electric bass) of York has been playing the violin since third grade. A former symphonic musician, Don has performed at Jazz Festivals from Montreal to Cape May. He continues to teach music to students throughout the York area.

Larry Lentz (keyboards) is originally from York and now lives in Carlisle. Larry has performed throughout the United States and Europe. Along with performances with various groups throughout the country, Larry is a world-class solo Jazz pianist.

Mack White (percussion) is an Extremity mainstay. He is one of the most sought-after Percussionists in the area playing anything from African Rhythms, Latin Rhythms and Funk. Mack also works with at-risk youth in York.

John Harris Jr. (saxophones and flute) has been playing Sax since fourth grade and has played throughout the United States and Canada with many bands during his career. His soulful and personalized sound on Tenor Sax gives Extremity its own unique sound. John is still playing with other bands and is a resident of York.
