

We are contacting you to ask for your support during Bring On Play's annual Day of Play by participating in our **Dress for Recess** fundraiser. Proceeds from this fundraiser will be used to provide activities for children and adults during the Day of Play.

Bring On Play (BOP) works to promote the importance of fun, safe and physically challenging playgrounds. Play is essential, not only for physical health and well-being, but, play also builds social skills, develops communication, imagination and problem-solving skills. Playgrounds provide a space for neighbors to gather, families to celebrate and they increase property values.

Providing creative, fun and safe opportunities for children to play is part of BOP's mission to make York a more playful city. The BOP committee's focus extends beyond simply designing and building playgrounds.

During Day of Play we are incorporating Adult Recess and invite you to participate in a 4 Square game in Continental Square during your lunch break. (Please consider allowing your employees to have an extended lunch hour to participate)

Below is all the information you need to participate in **Dress for Recess**. Please don't hesitate to contact us with any questions. We look forward to having you join us in our mission to promote play.
