A. Every person who makes, executes, delivers, accepts presents for recording any document or in whose behalf any document is made, executed, delivered, accepted or presented for recording, shall be subject to pay for and in respect to the transaction or any part thereof, a tax at the rate of one (1%) percent of the value of the real estate represented by such document, which tax shall be payable at the earlier of the time the document is presented for recording or within 30 (30) days of acceptance of such document or within thirty (30) days of becoming an acquired company.

B. The payment of the tax imposed herein shall be evidence by the affixing of an official stamp or writing by the Recorder of deeds whereon the date of the payment of the tax, amount of the tax and the signature of the collecting agent shall be set forth.

C. It is the intent of this ordinance that the entire burden of the tax imposed herein on a person or transfer shall not exceed the limitations prescribed in The Local Tax Enabling Act, Act of December 31, 1965, P.L. 1257, 53 P.S. §6901 et seq., so that if any other political subdivision shall impose or hereafter shall impose such tax on the same person or transfer then the tax levied by the City under the authority of that Act shall during the time such duplication of the tax exists, except as hereinafter otherwise provided, be one-half (1/2) of the rate and such one-half (1/2) rate shall become effective without any action on the part of the City provided, however, that the City and any other political subdivision which impose such tax on the same person or transfer may agree that, instead of limiting their respective rates to one-half (1/2) of the rate herein provided, they will impose respectively different rates, the total of which shall not exceed the maximum rate permitted under "The Local Tax Enabling Act."

D. If for any reason the tax is not paid when due, interest at the rate in effect at the time the tax is due, shall be added and collected.

355.5 EXEMPT PARTIES

The United States, the Commonwealth, or any of their instrumentalities, agencies or political subdivisions shall be exempt from payment or the tax imposed by this article. The exemption of such governmental bodies shall not, however, relieve any other party to a transaction from liability for the tax.

355.6 EXCLUDED TRANSACTIONS

The tax imposed by Section 355.04 shall not be imposed upon:

A. A transfer to the Commonwealth, or to any of its instrumentalities, agencies or political subdivisions, by gift, dedication or deed in lieu of condemnation or deed of confirmation in connection with condemnation proceedings, or a reconveyance by the condemning body of the property condemned to the owner of record at the time of condemnation which reconveyance may include property fine adjustments provided said reconveyance is made within one (1) year from the date of condemnation.

B. A document which the City is prohibited from taxing under the Constitution or statutes of the United States.

C. A conveyance to a municipality, township, school district or county pursuant to acquisition by the municipality, township, school district or county of a tax delinquent property at sheriff sale or tax claim bureau sale.

D. A transfer for no or nominal actual consideration which corrects or confirms a transfer previously recorded, by which does not extend or limit existing record legal title or interest.

E. A transfer of division in kind for no or nominal actual consideration of property passes by testate or intestate succession and held by cotenants; however, if any of the parties take shares greater in value than their undivided interest, tax is due on the excess.

F. A transfer between husband and wife, between persons who were previously husband and wife who have since been divorced, provided the property or interest therein subject to such transfer was acquired by the husband and wife or husband or wife prior to the granting of the final decree in divorce, between parent and child or the spouse of a brother or sister and brother or sister or the spouse of a brother or sister, and between a grandparent and grandchild or the spouse of such grandchild, except that a subsequent transfer by the grantee within one (1) year shall be subject to tax as if the grantor were making such transfer.

G. A transfer for no or nominal actual consideration of property passing by testate or intestate succession from a personal representative of a decedent to the decedent's devisee or heir.

H. A transfer for no or nominal actual consideration to a trustee of an ordinary trust where the transfer of the same property would be exempt if the transfer was made directly from the grantor to all of the possible beneficiaries, whether or not such beneficiaries are contingent or specifically named. No such exemption shall be granted unless the Recorder of Deeds is presented with a copy of the trust instrument that clearly identifies the grantor and all possible beneficiaries.

Where the document by which title is acquired by a grantee or statement of value fails to set forth that the property was acquired by the grantee from, or for the benefit of, his principal, there is a rebuttable presumption that the property is the property of the grantee in his individual capacity if the grantee claims an exemption from taxation under this clause.

L. A transfer made pursuant to the statutory merger or consolidation of a corporation or statutory division of a nonprofit corporation, except where the department reasonably determines that the primary intent for such merger, consolidation or division is avoidance of the tax imposed by this article.

M. A transfer from a corporation or association of real estate held of record in the name of the corporation or association where the grantee owns stock of the corporation nor an interest in the association in the same proportion as his interest in or ownership of the real estate being conveyed and where the stock of the corporation or the interest in the association has been held by the grantee for more than two (2) years.

N. A transfer from a nonprofit industrial development agency or authority to a grantee of property conveyed by the grantee to that agency or authority as security for a debt or the grantee or a transfer to a nonprofit industrial development agency or authority.

P. A transfer by a mortgagor to the holder of a bona fide mortgage in default in lieu of a foreclosure or a transfer pursuant to a judicial sale in which the successful bidder is the bona fide holder of a mortgage, unless the holder assigns the bid to another person.

Q. Any transfer between religious organizations or other bodies or person holding title for a religious organization if such real estate is not being or has not been used by such transferor for commercial purposes.

R. A transfer to a conservancy which possesses a tax exempt status pursuant to Section 501(c)(3) of the Internal Revenue code of 1954, (68A Stat. 3, 26 U.S.C. §501(c)(3)) and which has as its primary purpose preservation of land for historic, recreational, scenic, agricultural or open space opportunities.

S. A transfer of real estate devoted to the business of agriculture to a family farm corporation by a member of the same family which directly owns at least seventy-five (75%) percent of each class of the stock thereof.

T. A transfer between members of the same family of an ownership interest in a real estate company or family farm corporation.

U. A transaction wherein the tax due is One (\$1.00) Dollar or less.

V. Leases for the production or extraction of coal, oil, natural gas or minerals and assignments thereof. In order to exercise any exclusion provided in this section, the true, full and complete value of the transfer shall be shown on the statement of value. A copy of the Pennsylvania Realty Transfer Tax Statement of Value may be submitted for this purpose. For leases of coal, oil, natural gas or minerals, the statement of value may be limited to an explanation of the reason such document is not subject to tax under this ordinance.
