(a) Each section and each part of each section of the Codified Ordinances is hereby declared to be an independent section or part of a section and, notwithstanding any other evidence of legislative intent, it is hereby declared to be the controlling legislative intent that if any such section or part of a section, or any provision thereof, or the application thereof to any person or circumstances, is held to be invalid, the remaining sections or parts of sections and the application of such provision to any other person or circumstances, other than those as to which it is held invalid, shall not be affected thereby, and it is hereby declared to be the legislative intent that the Codified Ordinances would have been adopted independently of such sections or parts of a section so held to be invalid.

(b) Should any decision by a court of competent jurisdiction render this codification or the Act of 1957, July 10, P. L. 631, Section 1 (the enabling legislation by the authority of which this codification has been compiled and adopted) invalid or unconstitutional, it is hereby declared to be the legislative intent of Council that the body of the ordinances of the City of York as originally adopted shall be and remain in full force and effect to the same extent as they would be had this codification not been adopted.

(a) Whenever in the Codified Ordinances an act is prohibited or is made or declared to be unlawful or an offense, or whenever in the Codified Ordinances the doing of any act is required or the failure to do any act is declared to be unlawful, and where no specific penalty is provided for such act or failure to act, the violator may be proceeded against under this section.

(Ord. 3-1989 §1. Passed 2-7-89.)

At such municipal election a qualified person shall be elected to serve for the remainder of the term of the person originally elected or, if such term would otherwise expire on the first Monday of January following, for a new term of four years. If any vacancy occurs within 30 days of a regular municipal election at which the seat which has become vacant was to be filled for a new term of four years, the vacancy shall be filled only until the first Monday of January following such election.

Such three members shall then fill the remaining two vacancies at a meeting attended by them, the persons selected to fill the vacancies receiving at least two votes of the members present. Any persons selected as members of Council in accordance with this subsection shall hold office for the terms provided in subsection (a) hereof.

(c) In the event of a tie among the members of Council in filling a vacancy, the Mayor may, if he so desires, cast the deciding vote.

All expenditures shall be charged to the appropriate standard account, as determined by the Business Administrator. The appropriate standard account shall be adequately funded to cover each expenditure from the appropriate standard account.

In order to ensure that proper accounting practices are followed and adequate financing is available for each expenditure, the Business Administrator shall have the power to authorize the transfer of unexpended funds between accounts except in the following instances which shall require an affirmative vote of four members of Council:

- (1) Transfer of more than five percent (5%) of an appropriation item within that fund.
- (2) Transfer of more than five percent (5%) of a department's appropriated budget in that fund.

All transfers shall be cumulative in nature.

(Ord. 26-1990 § 1. Passed 12-18-90.)

137.03 DEPOSITORIES OF CITY FUNDS.

The City Treasurer shall deposit all City funds and all City taxes collected by him in such banks or other financial depositories as he is directed by the Mayor, City Controller and himself acting as a body for the designation of City depositories. All deposits shall be made in the name of the City. (Ord. 37-1989 §1. Passed 3-21-89.)

137.05 BUDGET.

(a) The City budget shall be prepared annually by the Mayor with the assistance of the Business Administrator. The City Clerk shall also appear at such hearing and submit for incorporation into the budget the requests for appropriations for the use of Council.

(b) Except for the budget for the fiscal year beginning on the first Monday of January, 1962, the Mayor shall present the budget to Council at no later than the last meeting scheduled in November of each year preceding the fiscal year for which the budget is submitted. The budget shall be in the form of an analysis of the various proposed items of revenue and expenditure.

(c) In considering the budget, Council may reduce any item by a vote concurred in by at least three members; but it may increase or add an item only if four members vote in favor thereof. After passing the proposed budget ordinance on first reading, Council shall fix a date for final passage thereof which date shall not be later than December 31 immediately following. In the interval between passage on first reading and final passage, the proposed budget ordinance shall be available for public inspection in the office of the City Clerk.

(d) In the month of January following any municipal election the Mayor may submit and Council may pass amendments to the budget ordinance adopted during the preceding month. In so doing, it shall cause the amended ordinance to be available for public inspection in the office of the City Clerk during the interval between first reading and final passage of such amendments.

The purpose of the balance is to prevent deficit financing resulting from a revenue shortfall.

Any projected expenditure from the unappropriated balance shall require a supplemental appropriation measure approved by a majority of Council, as outlined in Section 137.02. (Ord. 21-1983 §1. Passed 7-19-83.)

137.06 FINANCE CONTROL.

(a) The City Controller shall be responsible for determining that, in the operation of the budget, no funds are expended which have not previously been allotted for such expenditure, no expenditures are made except upon written requisition and no payment is made unless a warrant therefor has been properly signed and a check therefor presented to the City Treasurer.

137.07 ANNUAL AUDITS.

Each account of the City shall be audited following the close of each fiscal year by an independent certified public accountant or qualified firm selected by resolution of Council. The City shall request proposals for a new auditing contract once every three years and Council shall approve the contract no later than thirty (30) days prior to the close of the fiscal year to be audited. An Audit Committee comprised of the Mayor or his or her designee, the Business Administrator or his or her designee, the deputy business administrator for finance, the Council President or his or her designee and the Controller or his or her designee shall consider all proposals for the auditing contract and/or recontract and recommend an independent certified public accountant or a qualified firm to the Council. All such contracts shall be awarded to the lowest responsible bidder, but the City shall be deemed to reserve the right to accept or reject any and all bids in connection with any such contract. Any contract that involves an expense exceeding the average annual payment of an amount equal to .0010 (.10%) of the total projected General Fund appropriation shall not be undertaken or proceeded upon except after reference thereof to Council and approved by Council by ordinance or resolution. Each year after the Council gives final approval to the General Fund appropriation, the Business Administrator shall calculate and report to Council the specific amount equal to .0010 of that appropriation. The Controller shall file all signed contracts within his or her office. The Business Administrator shall receive a copy of each contract within 10 days of it being signed. The Controller shall present a written report monthly to the Council of all contracts signed during the prior month. (Ord. 10-2006. Passed 3-7-06.)

(b) The following purchases or contracts shall not require advertising or bidding as set forth in subsection (a) hereof:

- (1) Those for maintenance, repairs or replacements for water, electric light or other public works of the City, provided they do not constitute new additions, extensions or enlargements of existing facilities and equipment, but a bond may be required by Council as in other cases or work done;
- (2) Those made for improvements, repairs and maintenance of any kind made or provided by any City through its own employees: provided, however, that this shall not apply to construction materials used in street improvements;
- (3) Those where particular types, models or pieces of new equipment, articles, apparatus, appliances, vehicles or parts thereof, are desired by Council, which are patented and manufactured or copyrighted products;

- (4) Those involving any policies of insurance or surety company bonds; those made for public utility service under tariffs on file with the Pennsylvania Public Utility Commission, those made with another political subdivision or a county, the Commonwealth of Pennsylvania, the Federal government, any agency of the Commonwealth or the Federal government, or any municipal authority, including the sale, leasing or loan of any supplies or materials by the Commonwealth or the Federal government, or their agencies, but the price thereof shall not be in excess of that fixed by the Commonwealth, the Federal government or their agencies; or
- (5) Those involving personal or professional services.

(c) Except in the case of an actual emergency declared and stated by the Mayor in writing to Council at its next meeting following the declaration, notwithstanding other provisions of this section, Council must approve the purchase of, lease of, lease to purchase of, rent of, or any other acquisition of a right by the City to the use of all motor vehicles for the City.

(d) All other matters pertaining to the advertisement, bidding and award of contracts for the purchase of goods, properties or service not otherwise subject to this section shall be determined in accordance with rules and regulations for the operation of the centralized purchasing system to be drawn and promulgated by the Business Administrator with the approval of the Mayor. The Mayor and the Business Administrator shall report all such rules and regulations to the Council at the next meeting after their approval. Such rules and regulations shall provide for the protection of the City in such cases:

- (1) By requiring proper security to be submitted with the bid proposal only when required by the Business Administrator. This security may be in the form of a bid bond, certified check, cashier's check, cash or a letter of credit. The security shall be in the amount of ten percent (10%) of the amount of the bid proposal. Security shall be forfeited for nonperformance;
- (2) By requiring further security in the form of a performance bond with contracts for "public works" in excess of ten thousand dollars (\$10,000). Performance bonds shall be in the amount of one hundred percent (100%) of the cost of the contract. Contracts for materials, supplies, motor vehicles and equipment shall not need the performance bond, unless the nature of such contract is such that the Business Administrator deems it necessary to require such bond. The City reserves the right to request any bond deemed necessary to insure the completion of the contract. In lieu of a bond, the City may accept a certified check, cashier's check or an irrevocable letter of credit. "Public works" contracts include any contract for construction or maintenance. Excluded would be purchases of materials, supplies, motor vehicles and equipment. If installation of a purchased product is considered an important part of the contract, it should be considered a "public works" contract. "Liquid fuels" purchases require a fifty percent (50%) performance bond.

If the Human Resources Department can ascertain the correct length of his or her employment or service of such officer or employee from an examination of any other records of the City, the Department shall report its findings in writing to the Secretary of the proper retirement fund and transmit to the Secretary the aforesaid affidavit. If the other records of the City show the correct length of employment or service of the person involved, the Secretary of the proper retirement board shall correct the retirement record of the officer or employee involved, so as to show his correct length of service or employment. (Ord. 9-1997. Passed 7-15-97.)

167.20 MODIFIED PENSION PLAN FOR EMPLOYEES HIRED ON OR AFTER JANUARY 1, 1978.

(a) **Purpose.** The purpose of this section is to establish benefits payable to officers and employees, other than police officers or firefighters or beneficiaries of such officers or employees, who are elected or appointed to the staff of the City on or after January 1, 1978.

(b) Definitions. For the purposes of his or her section, the following terms shall have the meanings herein defined unless the context clearly indicates a contrary intention:

- (1) "Participant" means an officer or employee who is appointed or reappointed to the staff of the City and becomes a member of the Pension Fund on or after January 1, 1978. It does not include officers and employees who are eligible to participate in the pension funds for Police or Fire Department employees, nor does it include seasonal, temporary or part-time employees. Part-time employees are those normally scheduled to work less than thirty-five hours per week. Membership of eligible officers and employees is a required condition of employment. Notwithstanding the above, an employee holding a position as a laborer at per diem or hourly wage shall have the option of becoming a member of the Fund at the time of his or her employment. If he elects not to participate, he or she shall not be entitled to subsequently become a member during the course of this continued employment except for a ninety-day period commencing with the effective date of this subsection during which time current employees who were treated as laborers at a per diem wage will be given an option to join the Fund. This option shall not include the purchase of prior service. If an officer or employee who became a member of the Pension January 1, 1978, voluntarily wishes to become irrevocably subject to all of the provisions of this section he or she shall so agree in writing. He or she may not then subsequently revert to the original provisions.
- (2) "Monthly compensation" consists of a participant's basic salary plus longevity payments. The excluded payments include, but are not limited to, overtime, extra duty pay, sick leave buyout, vacation buyout, shift differential, educational incentive payments, bonuses, payments in lieu of department's health insurance costs, and other special forms of compensation. "Annual compensation" in a calendar year means the total of the monthly compensation of each of the twelve months in such year. (Ord. 9-97. Passed 7-15-97.)
- (3) "Normal retirement age" means age sixty or the age at which a participant has completed forty years of service. (Ord. 12-2001. Passed 12-18-01.)
- (4) "Early retirement age" means a participant may elect to retire after attainment of age fifty-five provided, however, that if such participant elects to have his or her monthly pension, determined in accordance with provisions of this section, commence before attainment of age sixty, such pension benefit shall be reduced by one-third of one percent for each full month such participant's age at commencement of receipt of benefits is short of age sixty.
- (5) "Permanent and total disability" means that a participant has been totally and permanently physically or mentally disabled by bodily injury or disease so as to be prevented from engaging in gainful employment for which he or she is qualified within the City or its environs, and shall be retired for disability if the Officers and Employees Retirement Board shall determine that he or she is so permanently disabled on the basis of written reports obtained from a physician designated by the Board. (Ord. 9-97. Passed 7-15-97.)

- (6) "Participant's contributions" means that each participant shall be required to contribute to the Officers and Employees Retirement Fund an amount equal to five percent of each calendar year's compensation. The City is authorized to deduct such contribution from the participant's monthly compensation and to remit that sum to the Fund. Beginning January 1, 2001 and continuing until City Council redirects, employees shall be required to contribute two percent (2%) of their monthly compensations into the Fund.
- (7) In any given year, when the Minimum Municipal Obligation (MMO) to the Fund is greater than zero, City Council must be informed and must review the validity of employee contributions as it pertains to Section 167.20(b)(6).
(Ord. 21-2000. Passed 11-21-00.)

(c) Age of Retirement; Amount of Pension for Employees Hired on or after January 1, 1978. (Ord. 9-97. Passed 7-15-97.)

- (1) A participant who has completed five years of service and has attained normal retirement age shall receive from the Fund, administered by the Board, for the rest of his or her life, a monthly pension equal to two percent (2%) of his or her average monthly compensation for the highest consecutive five of the ten years prior to his or her retirement for each complete year of service up to forty years.
- (2) If a participant who has completed five or more years of service terminates his or her employment, such participant shall receive a monthly pension for life based on the normal retirement formula benefits in this section, which pension shall commence when the participant attains age sixty.
- (3) If the employment of a participant with less than five years of service terminates and such participant or his or her spouse or children are not entitled to disability or pension benefits under the provisions of this section, the total of the participant's contribution, with five percent compound interest to the date of termination of employment less the total of all pensions, disability or other payments made to the participant, his or her spouse or children shall be refunded to the participant or paid to the estate of the deceased participant.
(Ord. 21-2000. Passed 11-21-00.)
- (4) Any person who contributed to the Fund, ceased to be in the service of the City, received a refund of his or her contribution and later re-enters the service of the City and participates in the Fund, will be eligible to repurchase the prior service under the modified plan under the following conditions:
 - A. The person must elect to repurchase the prior service within ninety calendar days of re-employment.
 - B. Funds previously withdrawn by the person must be repaid with interest to the Fund at the time the election is made to purchase prior service. Interest is to be computed from the time the funds were withdrawn from the Fund at the annual rate of five percent (5%).
 - C. Time of service for retirement purposes will be calculated based on the amount of time the person participated in the Fund.

- D. Those employees who would be eligible for purchase of prior service except that they have been re-employed by the City prior to enactment of this subsection, will have a ninety-day period to elect the purchase of their prior service; commencing with the effective date of this subsection.

(d) Disability Benefits for Employees Hired on or after January 1, 1978. If a participant becomes disabled, whether such disability is or is not service connected, he or she shall be entitled to a monthly disability benefit if he or she has completed ten or more years of service. A disability benefit payable hereunder shall be as follows:

- (1) Such participant shall receive a monthly disability benefit based on the normal retirement formula in subsection (c) hereof but without reduction if his or her age is under sixty which benefit shall continue until the disabled participant is determined to be no longer disabled and is under normal retirement age or until the death of the disabled participant, whichever occurs first. (Ord. 9-97. Passed 7-15-97.)
- (2) Notwithstanding the above formula, the disabled participant shall receive a monthly disability benefit not less than fifty percent (50%) of his or her average monthly compensation for the highest consecutive sixty calendar months of the 120 calendar months of employment prior to commencement of disability. (Ord. 21-97. Passed 12-16-97.)
- (3) A disabled participant shall supply such medical evidence of his or her continued disability and such financial evidence of his or her earnings as the Board shall require not more frequently than annually and failure to provide such evidence shall be considered as recovery from disability.
- (4) If a participant shall be entitled to total income from this Pension Fund, from other periodic benefits fully or partially financed by the City, including Worker's Compensation, Occupational Disease Benefits, Social Security Primary Disability Benefits, and wage continuation and from earnings from employment or self-employment such that his or her total income exceeds eighty percent of his or her basic monthly compensation from the City including longevity pay at the time of his or her disability, the benefit received from this Fund shall be reduced so as to bring the total to eighty percent of such pre-disability monthly compensation.
- (5) If the participant is considered to have recovered from disability and he shall return to the employment of the City, his or her other service prior to disability shall be reinstated for pension purposes. If he or she shall not return to the employment of the City, he or she shall be entitled to vested benefits commencing at age sixty as if he or she terminated employment at the time of disability.

(e) Survivor Benefits for Employees Hired on or after January 1, 1978.
(Ord. 9-1997. Passed 11-21-00.)

- (1) If a participant who has attained age fifty-five and completed five years of service dies while employed by the City, a monthly pension shall be payable to his or her spouse until the spouse's death equal to fifty percent of the monthly pension benefit the participant would have received had he or she retired as of the day prior to the date of death. Such participant must have been married to such spouse for at least one year prior to the participant's death to qualify for this benefit.
(Ord. 21-2000. Passed 11-21-00.)

- (2) If a retired or disabled participant dies, his or her spouse shall receive a pension benefit equal to fifty percent of the monthly pension benefit the participant was receiving, however, that such spouse had been married to the participant prior to the participant's commencement of retirement benefit payments and at the time of the participant's death which benefit shall continue until such spouse's death.
- (3) If the spouse of a deceased participant who was receiving a pension benefit under this section dies, payments will continue to be made to the guardian of or for the benefit of the participant's surviving children under the age of eighteen years which payments shall continue until the youngest child attains the age of eighteen. Each such child shall receive a proportionate share of the benefit. The surviving spouse shall be entitled to receive such pension during his or her lifetime.

(f) Nonincrease in Allowance. No increase in pension shall be granted after a participant retires hereunder.

(g) Nonrepealer and Severability.

- (1) This section does not repeal the existing City pension ordinances by new provisions for officers and employees hired on or after January 1, 1978.
- (2) This section is to be considered separately and an unconstitutional or provision shall not affect the other provisions hereof.
(Ord. 9-1997. Passed 7-15-97.)

167.21 ACTUARIAL EVALUATION AND FUNDING REQUIREMENTS.

(a) Actuarial Evaluation. The City shall annually have a qualified actuary to prepare an actuarial report providing the pension costs in the form of a normal cost and an unfunded past service liability.

Any additional pension benefits proposed to be awarded after the date of passage of this article, shall require an actuarial evaluation of the total costs associated with such benefits, prior to awarding such additional benefits. Furthermore, the City shall provide funding for the full amount associated with any expansion of pension benefits, as detailed by the actuary, prior to the awarding of such benefits and for each subsequent fiscal year.

(c) Funding Requirements. Beginning in fiscal year 1984, the City shall include in its budget and contribute during the next succeeding fiscal year an amount sufficient to carry the normal cost plus ten percent (10%) of the interest on the unfunded past service liability and in subsequent years to include in its budget and contribute to the normal cost plus an additional ten percent (10%) of the interest on the unfunded past service liability so that after ten years, the City shall contribute the normal cost plus one hundred percent (100%) of the interest in the unfunded service liability.

(d) Notwithstanding any provision of this article to the contrary, the funding requirements shall be governed by the provisions of Act 205, as amended.

169.06 AGE OF RETIREMENT; AMOUNT OF PENSION.

(a) Every officer of the Police Department accepting the provisions of this article who has served for a continuous period of twenty years and has reached the age of at least fifty years, shall at his or her request be entitled to be retired and eligible to receive a pension, and he or she may make application to the Association for retirement. The Association shall then direct and order such officer to be paid out of the Police Pension Fund, a yearly pension, payable in semi-monthly installments, equal to one-half of the yearly salary, paid by the City to such officers of the same rank which he or she held in the Police Department at the time of his or her retirement. If an officer of the Police Department retires prior to reaching age fifty, he or she shall continue to contribute to the Police Pension Fund an amount equal to what he was paying prior to retirement. The provisions of the preceding sentence of this subsection (a) shall apply to all officers of the Police Department in active service on or after January 1, 1975.

(b) Any officer of the Police Department who accepts the provisions of this article shall automatically be retired when he or she reaches the age of seventy-one years, but nothing in this article shall be construed as making him or her eligible for pension; such eligibility shall depend upon the necessary length of service and other conditions and requirements of this article.

(c) When an officer of the Police Department has served continuously twenty years or more, and his or her tenure of office or employment is terminated without his or her voluntary action for some reason other than his or her being convicted of a felony involving moral turpitude, then he or she shall be entitled to a pension upon attaining the age of fifty years in the same manner and in the same amount as if he or she had voluntarily retired. If, however, he or she is convicted of a felony involving moral turpitude, he or she shall forfeit all pension eligibility rights. For purposes of this definition, one is convicted of a felony involving moral turpitude when one has pleaded guilty of nolo contendere to the felony involving moral turpitude, or when one has been convicted of the felony involving moral turpitude.

(d) In conformance with Third Class City Code, Section 4303.2 Total Disability, any police officer who becomes totally disabled due to injuries sustained in the line of duty shall be eligible for immediate retirement benefits. "Total disability" shall be defined as a permanent mental or physical impairment which renders the officer unable to perform his or her duties. Should any police officer, after ten or more years of service, become totally disabled due to a disability that did not occur in the line of duty, he or she shall during such disability be entitled to a pension of a percentage of his or her annual compensation. "Annual compensation" means the yearly salary paid to the officer on the date of injury. For ten years service, the percentage of such annual compensation shall be thirty percent (30%) and for each additional year of service beyond ten years an additional two percent (2%) of such annual compensation shall be added to the initial percentage of such disability pension, which percentage shall in no case exceed fifty percent (50%). A fractional part of a year shall not be counted in determining the number of years of service. The time of service herein specified shall be computed from the time of the first or original service of the City. Disability pensions whether for line of duty injuries or not shall be subject to the following provisions:

- (1) Any amounts received by such officer under the provisions of the Worker's Compensation Law, Heart and Lung or any other occupational disease benefits for an injury which results in such permanent disability shall be credited against such disability pension when such amounts cover a period of time after the retirement of the officer herein.
- (2) The time of service herein specified shall be computed from the time of the first or original service of the City.

Proof of disability shall consist of the sworn statements of two practicing physicians designated by the Board that the officer is in a condition of health which would permanently disable him from performing the duties of his position or office. Such person shall thereafter be subject to physical examination at any reasonable time or times upon order of the Board, or upon his or her refusal to submit to any such examination, his or her pension shall cease. The expense incurred by physical examinations when required by the Association shall be paid by the Police Pension Fund. (Ord. 31-2003. Passed 8-19-03.)

(e) This subsection may provide for a limited vested benefit if such would conform to Section 305 of the Act of December 18, 1984 (P.L. 1005, No. 205), known as the "Municipal Pension Plan Funding Standard and Recovery Act". Under the provisions of the benefit, a member of the Police Pension Fund, before completing the minimum age and period of continuous service requirements but after having completed twelve years of full-time service, shall be entitled to vest his or her retirement benefits subject to the following conditions:

- (1) The member shall file with the Management Board of the Police Pension Fund a written notice of his or her intention to vest.
- (2) The member shall include in the notice, the date the member intends to terminate his or her service as a full-time police officer.
- (3) The termination date shall be at least thirty days later than the date of notice to vest.
- (4) The member shall be in good standing with the Police Department on the date of notice to vest.
- (5) The Board shall indicate on the notice to vest the rate of the monthly pay of the member as of the date of such notice to vest or the highest average annual salary which the member received during any five years of service preceding such date, whichever is the higher.
 - A. Upon reaching the date which would have been the member's retirement date had the member continued his or her full-time employment with the Police Department, the member shall notify the Board, in writing, that the member desires to collect his or her pension. The amount of retirement benefits the member is entitled to receive under this section shall be computed as follows:
 1. The initial determination of the member's base retirement benefits shall be computed on the compensation indicated on the notice to vest.
 2. The portion of the base retirement benefits due the member shall be determined by applying to the base amount the percentage that his or her years of service actually rendered bears to the years of service which would have been rendered had the member continued to be employed by the Department until his or her minimum retirement date.
- (6) Payments for allowances shall not be a charge on any other fund in the Treasury of the City or under its control save the Police Pension Fund herein provided for. The basis of the apportionment of the pension shall be determined by the rate of the monthly pay of the member at the date of injury, death, honorable discharge or retirement, or the highest average annual salary which the member received during any five years of service preceding injury, death, honorable discharge or retirement, whichever is the higher, and except as to service increments provided for in subsection (e)(5) hereof, shall not in any case exceed in any year one-half the annual pay of such member computed at such monthly or average annual rate, whichever is the higher.

(f) Any officer who becomes totally disabled due to injuries sustained in the line of duty shall be deemed to be fully vested in the Police Pension Fund, regardless of the actual number of years of credited service, and shall be eligible for immediate retirement benefits. The Police Pension Fund shall be subrogated to the right of the officer to the extent of any payments made under the Act of June 2, 1915 (P.L. 736, No. 338) or the Act of June 28, 1935 (P.L. 477, No. 193).

His or her acceptance is to be signified by signing the Police Pension Fund Roll, which shall be kept by the Secretary of the Association and which Police Pension Fund Roll shall show conclusively the date upon which he or she was appointed a regular salaried officer of the Police Department, and that he or she has been in continuous service to the date of his or her acceptance.

169.08 RETURN ON CONTRIBUTIONS.

(a) If, for any cause whatsoever, any officer of the Police Department who has accepted the provisions of this article by the signing of the Pension Roll, shall cease to be an officer of the Department or for any other reason shall not be entitled to a pension under this article, one hundred percent (100%) of the total amount of the contributions paid into the Pension Fund by such officer out of his or her salary shall be refunded to him or her, without interest.

(b) In the event of the death of an officer before he or she becomes entitled to the pension herein provided, one hundred percent (100%) of the total amount of his or her contribution, without interest, shall be paid to his or her surviving spouse, or if there is no surviving spouse, to the heirs at law of such deceased officer of the Police Department. In the event of the death of a pensioner before he or she has received as much as he or she contributed to such Fund, one hundred percent (100%) of the surplus, without interest, shall be paid to his or her surviving spouse, or if there is no surviving spouse, to the heirs at law of such deceased officer or employee.

(c) No officer shall be entitled to a pension who does not make any payments herein required regularly. (Ord. 31-2003. Passed 8-19-03.)

(d) To the extent required by the Uniform Services Employment and Re-employment Rights Act of 1994 (P.L. 103-353) (USERRA), any member who shall have returned to him or her the amount contributed, and shall afterward again become a member, he or she shall return the amount contributed (without interest) within ninety days from re-hire and be entitled to a pension computed from the time the member first became a member, excluding any period of time during which the member was not employed by the Police Department. Notwithstanding anything in this article to the contrary, the plan is to be administered in accordance with the terms of the USERRA.

(Ord. 12-1999. Passed 10-19-99.)

The interest received from such investments shall be paid into the Pension Fund upon receipt of same, and if at any time sufficient funds are not available (inclusive of the moneys appropriated by the City up to the amount it may be permitted to pay under the law) for the payment of all pensions in full, then the Association may dispose of and sell such securities as it may hold in its Investment Account and use the proceeds thereof to supply such deficiency. All moneys invested for the credit of such Account shall be in securities approved by the laws of the Commonwealth of Pennsylvania for the investment of trust funds and all such securities are to be deposited with the Treasurer of such Association for the credit of its Investment Account.

No pensioner shall have the right to transfer or assign his or her pension or any part thereof, either voluntarily or involuntarily nor shall he or she have any right or power to mortgage or otherwise encumber the same or any part thereof.

Disability retirement allowances, as added by this article, shall become effective as of May 1, 1991 and shall not be retroactive.

(b) In addition to the retirement allowance which is authorized to be paid from the Police Pension Fund by this article and notwithstanding the limitations therein placed upon such retirement allowances and upon contributions, every contributor who becomes entitled to retirement allowances shall also be entitled to the payment of a "service increment" in accordance with and subject to the conditions hereinafter set forth:

- (1) Service increment shall be the sum obtained by computing the number of whole years after having served the minimum required by this article during which the contributor has been employed by the City and contributed to the Fund and paid out of the City Treasury and multiplying the number of years so computed by an amount equal to one-fortieth of the retirement allowance which has become payable to such contributor in accordance with the provisions of this article. In computing the service increment, no employment after the contributor has reached the age of sixty-five years shall be included, and no service increment shall be paid in excess of one hundred dollars (\$100.00) per month.
- (2) Each contributor shall pay into the Retirement Fund a monthly sum in addition to his or her retirement contribution, which shall be equal to one-half of one percent of his or her salary. Such payment shall not exceed the sum of one dollar (\$1.00) per month. Service increment contributions shall not be paid after the contributor has reached the age of sixty-five years.
- (3) Service increment contributions shall be paid at the same time, and in the same manner as retirement contributions, and may be withdrawn in full, without interest, by persons who leave the employment of the City, subject to the same conditions by which retirement contributions may be withdrawn, or by persons who retire before becoming entitled to any service increment.

- (1) In addition to the payments to the Retirement Fund required for retirement and service increments, each contributing member of the Police Department shall pay to the fund a sum equal to one percent of the pay of such member which shall be paid at the same time, and in the same manner as retirement contributions.
- (2) Such additional contribution is for the purpose of providing sufficient funds to make pension payment to qualified surviving spouses or surviving children of deceased, active or retired members as required by law and the same may be withdrawn in full, without interest, by members who leave the employment of the City under the same conditions as retirement contributions may be withdrawn. Where a member not having a spouse or children at the time he or she leaves the employ of the City, withdraws his or her contributions and subsequently marries, his or her surviving spouse or surviving children shall not be eligible to a pension from the Retirement Fund.
(Ord. 10-1997. Passed 7-15-97.)

Any additional pension benefits proposed to be awarded after the date of passage of this article, shall require an actuarial evaluation of the total costs associated with such benefits, prior to awarding such additional benefits. Furthermore, the City shall provide funding for the full amount associated with any expansion of pension benefits, as detailed by the actuary, prior to the awarding of such benefits and for each subsequent fiscal year.

(c) Funding Requirements. Notwithstanding any provisions of this article to the contrary, the funding requirements shall be governed by the provisions of Act 205.
(Ord. 10-1997. Passed 7-15-97.)

169.15 DEFERRED RETIREMENT OPTION PENSION.

(a) Eligibility: Effective July 1, 2007, members of the York City Police Department who have not retired prior to the implementation of the DROP program, may enter into DROP on the first day of any month following completion of twenty and one-half (20-1/2) years of credited service and attaining the age of fifty (50).

(b) Written Election: A member of the Police Department electing to participate in the DROP must notify the City in writing. The notification shall state the member's intention to participate in the DROP, and designate the Individual DROP Account, with all applicable information necessary to enable the plan administrator to ensure payment of benefits into the Individual DROP Account. The form must be signed by the member and notarized and submitted to the City prior to the date on which the member wishes the DROP option to be effective. The DROP option notice shall include an irrevocable notice to the City, by the member, that the member shall resign from employment with the York City Police Department effective on a specific date (the "resignation date"). In no event shall the resignation date be shorter than twelve (12) months or longer than thirty-six (36) months from the execution of the notice. An officer shall cease to work as an Employer Police Officer on the officer's resignation date, unless the Employer terminates or honorably discharges the officer prior to the resignation date.

All retirement documents required by the Police Pension Board Administrator must be filed and presented to the Pension Board for approval of retirement and payment of pension. Once the Police Pension Board has approved a retirement application, it is irrevocable.

(c) Limitation on Pension Accrual: After the effective date of the DROP option, the member shall no longer earn or accrue additional years of continuous service for pension purposes.

(d) Benefit Calculation: For all retirement fund purposes, continuous service of a member participating in the DROP shall remain as it existed on the effective date of commencement of participation in the DROP. Service thereafter shall not be recognized or used for the calculation or determination of any benefits payable by the Police Pension Fund. The average applicable compensation of the member for pension calculation purposes shall remain, as it existed on the effective date of commencement of participation in the DROP. Earnings or increases in earnings thereafter shall not be recognized or used for the calculation or determination of any benefits payable by the Pension Fund. The pension benefit payable to the members shall increase only as a result of Cost of Living Adjustments in effect on the effective date of the member's participation in the DROP or by applicable Cost of Living Adjustments granted thereafter.

(e) Payments to the DROP Account: The monthly retirement benefits that would have been payable had the member elected to cease employment and receive a normal retirement benefit, shall, upon the member commencing participation in DROP, be paid into the Individual DROP Account established to receive the participant's monthly pension payments.

(f) Payout: Upon the termination date set forth in the member's DROP option notice or such date as the Employer separates the member from employment, the retirement benefits payable to the member or member's beneficiary, if applicable, shall be paid to the member or beneficiary and shall no longer be paid to the member's Individual DROP Account. Within thirty (30) days following termination of a member's employment pursuant to their participating in the DROP program, the balance in the members' Individual DROP Account shall be paid to the member in a single lump sum payment or at the member's option, in any fashion permitted by law, including, but not limited to, transfer of joint ownership of the Individual DROP Account by the Employer to Employee.

(g) Death: If a DROP member dies before the DROP account balances are paid, the participant member's legal beneficiary shall have the same rights as the member to withdraw the account balance.

(h) Forfeiture of Benefits: Notwithstanding an officer's participation in the DROP Plan, an officer who is convicted or pleads guilty to engaging in criminal misconduct which constitutes a "crime related to public office or public employment," as that phrase is defined in Pennsylvania's Pension Forfeiture Act, 43 P.S. §§ 1311-1314, shall forfeit his right to receive a pension, including any amounts currently deposited in the DROP Account. In such a case, the member shall only be entitled to receive the contributions, if any, made by the member to the Fund, without interest. Remaining monies shall be returned to the Police Pension Plan in accordance with the Law.

(i) Account Manager: The employee shall designate the Individual DROP Account. The City of York shall not be responsible for any fees pertaining to the account, investment loss incurred in the account or for the failure of an investment to earn a specific or expected return or to earn as much as any other opportunity, whether or not such other investment opportunity was offered or available to participants in the plan.

(j) Cost of Management for DROP Program: Any costs or fees associated with the management of the DROP Program, with the exception of those amounts which would have been expended in connection with calculation and payment of a superannuation retirement benefit, accounts shall be paid directly from the Police Pension Fund and not by the City of York. Any costs or fees associated with the management of an Individual DROP Account shall be paid directly by the Employee and not by the City of York.

(k) Effective Date: The Effective Date of the changes in this Ordinance is July 1, 2007; however, the implementation of the DROP program will be provided as in this Ordinance.

(l) Construction of Provisions: An Officer's election to participate in the DROP program shall in no way be construed as a limitation on the Employer's right to suspend or terminate an officer for just cause or to grant the officer an honorable discharge based upon a physical or mental inability to perform his or her duties.

(m) Severability: The provisions of this Ordinance shall be severable and if any of its provisions shall be held to be unconstitutional or illegal, the validity of any of the remaining provisions of the Ordinance shall not be affected thereby. It is hereby expressly declared as the intent of the Employer's Supervisors that this Ordinance would have been adopted had such unconstitutional or illegal provision or provisions not been included herein. In the event that the DROP provision is declared invalid or illegal by a court of competent jurisdiction or through an administrative determination of the Office of the Auditor General, the Police Benevolent Association shall have the right to bargain in accordance with Act 111 over deletion of this benefit. It is expressly understood that this shall not involve bargaining over a replacement provision. (Ord. 37-2007. Passed 11-20-07.)

There shall be paid to the Fund all bequests, legacies, gifts or donations made thereto, all sums subscribed by the public, all net income resulting from all games, dances, sports, entertainments or any and all other sources of income conducted by or under the supervision of the paid firefighters of the City, and the Board may take and receive gifts, grants, devises or bequests of any moneys, real estate, person property or other valuable things from whatever source for the purposes of the Fund. There shall also be paid into this Fund the amount of four percent of the salary of each paid member of the Fire Department who has accepted the provisions of this article, such amount to be retained or deducted by the City Treasurer from such salaries on or after the effective date of this section until such time as any paid member of the Fire Department has retired under the provisions of this article. There shall also be deducted from the salary of each paid member of the Fire Department an additional one percent of his or her salary to provide sufficient funds for payments to the surviving spouse of members retired on pension or killed or who die in the service, which sum shall be paid into the Fund. There shall also be deducted from the salary of each paid member of the Fire Department and paid into the Fund the sum of one dollar (\$1.00) per month for the purpose of paying a service increment to such firefighter as provided by Section 4322 of the Third Class City Code as amended. Such deduction for the purpose of paying a service increment shall not be made after a paid member of the Fire Department has passed his or her sixty-fifth birthday. There may be appropriated by the City annually to the Paid Firefighter's Pension Fund for the purposes of such Fund such amount as Council may consider proper or expedient, but not in excess of the amount fixed by law.
(Ord. 11-1997. Passed 7-15-97.)

171.05 NECESSARY ACCOUNTS AND RECORDS.

The Paid Firefighter's Pension Fund Board shall keep full and accurate accounts of all transactions. It shall have full power to make rules for the transaction of its business, the application of its funds and its time and place of meeting, but it shall meet at least four times in each year. Special meetings may be held at any time upon the call of the President of the

Board, the Mayor, the Business Administrator, the Secretary, and the City Treasurer, the Treasurer of the Board, respectively. It shall be the duty of the Board each year, prior to the time of the preparing of the general appropriation ordinance for the ensuing fiscal year, to prepare a full and detailed statement of the assets of the Pension Fund, the amount of any expenses which it is required to pay, and any other information which Council may request, and to present the same to Council together with a statement of the amount of money required to enable the Board to pay the required pensions in full. The Board shall issue certificates, signed by its President and Secretary, to any member of the Fire Department entitled to retirement and pension under this article, which certificate shall state the amount of money ordered paid out of the Fund to such member of the Fire Department and the purpose for which such payment is made. Upon all questions of fact relating to the administration of the Fund, such certificate shall be conclusive. The Treasurer shall give and maintain a surety bond to the City in a sum not less than double the probable amount of money and securities that shall come into his hands for the faithful performance of his duties. The premiums on the bond shall be paid from the Pension Fund. The surety bond shall not be required to cover nonnegotiable registered securities which are duly registered in the name of the Board on the records of the issuers of the securities. All incidental expenses, such as stationery, postage, miscellaneous supplies and so forth, necessary to the transaction of the business of the Board, shall be provided from the Pension Fund. The members of the Board shall receive no compensation for the services thus performed notwithstanding any law to the contrary thereof.
(Ord. 11-1997. Passed 7-15-97.)

171.06 ELIGIBILITY.

(a) Every person now or formerly employed by the City as a paid member of the City Fire Department, who accepts the provisions of this article and who has served as a paid member of the Fire Department for a continuous period of twenty years and has reached the age of at least fifty years, shall be entitled to be retired and eligible to pension at the option and upon the recommendation of the Board, or he or she may make application to the Board for retirement, and the Board may then order and direct that such member be paid out of such Fund a yearly pension, payable in monthly installments equal to one-half the yearly salary of such member at the time of his or her retirement from the service of the City. Any member who accepts the provisions of this article shall automatically be retired when he or she reaches the age of seventy-one years. Nothing in this section shall be construed as making a member eligible to pension upon reaching the age of seventy-one years, but such eligibility depends upon the necessary length of service and the other conditions and requirements of this article. No person now employed by the City as a paid member of the Fire Department shall be compelled to retire before he or she has completed twenty years of continuous service, but such member shall be allowed to complete twenty years of service, providing, of course, that he or she is physically fit to perform such duties.

(b) Where an officer or employee of the Fire Department has served continuously twenty years or more, and his or her tenure of office or employment shall be terminated without his or her voluntary action for some reason other than his or her being convicted of a felony involving moral turpitude, then he or she shall be entitled to a pension upon attaining the age of fifty years in the same manner and the same amount as if he or she had voluntarily retired. If, however, he or she is convicted of a felony involving moral turpitude, he or she shall forfeit all pension eligibility rights. For purposes of this definition, one is convicted of a felony involving moral turpitude when one has plead guilty or nolo contendere to the felony involving moral turpitude, or when one has been convicted of the felony involving moral turpitude.

(c) Should a person employed by the City as a paid member of the Fire Department become so permanently disabled as to render him unable to perform the duties of his or her position after ten or more years of service, he or she shall during such disability be entitled to a pension of a percentage of his or her salary to be determined as follows:

(d) For ten years service, the percentage of such salary shall be thirty percent and for each additional year of service beyond ten years an additional two percent of such salary shall be added to the initial percentage of such disability pension, which percentage shall in no case exceed fifty percent. A fractional part of a year shall not be counted in determining the number of years' service.

(e) During the time the disability pension shall be paid by the Fund, any Worker's Compensation, Heart and Lung or any other occupational disease benefits received by a paid member of the Fire Department for such period, shall be turned over to the Fund and paid into the Fund, and if such payment shall not be so made by the paid member of the Fire Department, the amount so due the Fund shall be deducted from any pension payments then or thereafter due and owing. This provision shall not apply, however, to any member (or the family of such member) whose permanent injury was incurred in service.

(f) The time of service herein specified shall be computed from the time of the first or original service of the City.

(g) Proof of disability shall consist of the sworn statement of two practicing physicians designated by the Board that the paid member of the Fire Department is in a condition of health which would permanently disable him or her from performing the duties of his or her position or office. Such person shall thereafter be subject to physical examination at any reasonable time or times upon order of the Board, and upon his or her refusal to submit to any such examination, his or her pension shall cease. The expense incurred by physical examinations when required by the Board shall be paid by the Fund.

(h) For purposes of this section, "salary" means that amount defined in 53 P.S. §39328 and "yearly salary" means the member's salary on the date of retirement or the highest average annual salary which the member received during any five years of service preceding retirement. (Ord. 11-1997. Passed 7-15-97.)

171.07 APPLICABILITY; ACCEPTANCE OF PROVISIONS.

(a) This article shall apply to all paid members of the Fire Department of the City who have accepted its provisions, but it shall be optional with each member as to whether or not he or she accepts such provisions. His or her acceptance shall be signified by signing the Paid Firefighter's Pension Fund Roll which shall be kept by the Secretary of the Board and which Pension Fund Roll shall show conclusively the date upon which such member accepted the provisions of this article, as well as the date upon which he or she was appointed as a paid member of the Fire Department and that he or she has been in continuous service to the date of his or her acceptance.

(b) It shall be the duty of the Fire Chief to give notice of the provisions of this article, to all present paid members of the Fire Department immediately after the passage hereof, and to all paid members of the Department hereafter appointed immediately following the time of their appointment. All present paid members of the Fire Department shall be allowed until April 1, 1947, to accept the provisions of this article. All paid members hereafter appointed shall be allowed sixty days from the time of their appointment to accept such provisions. Should any such member hereafter appointed fail to accept these provisions within sixty days, such time may be extended to one year from the time of his or her appointment upon consent obtained from the Board, but in no event shall the time be extended beyond one year. (Ord. 11-1997. Passed 7-15-97.)

171.08 REFUNDS; PAYMENTS IN EVENT OF DEATH.

(a) If for any cause any member of the Fire Department, who has accepted the provisions of this article, ceases to be a member of the Department, or for any other reason shall not be entitled to a pension under this article, 100 percent of the total amount of the contributions paid into the Pension Fund by such member out of his or her salary shall be refunded to him or her without interest.

(b) In the event of the death of a member before he or she becomes entitled to the pension herein provided and such member is not survived by a spouse or family entitled to payments, the total amount of contributions paid into the Pension Fund by the member shall be paid over to his or her estate. In the event of the death of such member before he or she shall have received as much as he or she contributed to such Fund, the entire surplus without interest shall be paid to his or her estate.

(c) Upon the death of a member who retires on pension or is killed in the service on or after January 1, 1960, or who dies in the service on or after January 1, 1969, payments as hereinafter provided shall be made to his or her surviving spouse during his or her life, or if there be no surviving spouse, then to his or her surviving children so long as they are under eighteen years of age.

(d) Upon the death of a member who has had ten years or less of service in the Fire Department, the payment of pensions to the persons entitled thereto as herein provided shall be thirty percent of his or her salary at the time of his or her death and for each additional year of service beyond ten years, an additional two percent shall be added to the initial percentage of such pension which percentage shall in no case exceed fifty percent. A fractional part of a year shall not be counted in determining the number of years of service. (Ord. 11-1997. Passed 7-15-97.)

(e) To the extent required by the Uniform Services Employment and Re-employment Rights Act of 1994 (P.L. 103-353) (USERRA), any member who shall have returned to him or her the amount contributed, and shall afterward again become a member, he or she shall return the amount contributed (without interest) within ninety days from re-hire and be entitled to a pension computed from the time the member first became a member, excluding any period of time during which the member was not employed by the Fire Department. Notwithstanding anything in the Ordinance to the contrary, the plan is to be administered in accordance with the terms of the USERRA. (Ord. 13-1999. Passed 10-19-99.)

171.09 FIREFIGHTER'S PENSION INVESTMENT ACCOUNT.

(a) The Board is directed to create a Firefighter's Pension Investment Account and is hereby authorized to invest for the credit of such account the surplus money accumulated in the Pension Fund in excess of such sum as may be fixed by the Board together with such amounts as may be required for the payment of pensions during the year as directed by this article, and the interest received from such investments shall be paid into the Pension Fund upon receipt of same. If at any time sufficient funds are not available, inclusive of the moneys appropriated by the City up to the amount it may be permitted to pay under the law, for the payment of all pensions in full, then the Association may dispose of and sell such securities as it may hold in its Investment Account and use the proceeds thereof to supply such deficiency.

(b) All moneys invested for the credit of such Account shall be in securities approved by the laws of the Commonwealth for the investment of trust funds, and all such securities are to be deposited with the Treasurer of such Board for the credit of its Investment Account.

(c) Notwithstanding any provisions of subsections (a) and (b) hereof to the contrary, the Investment Account shall be managed by the Board of Trustees in accordance with the provisions of Act 205. (Ord. 11-1997. Passed 7-15-97.)

171.10 AVAILABLE FUNDS.

The funds available for the payment of pensions shall be the income derived from the principal amount only after the principal amount shall have been accumulated to the sum of fifty thousand dollars (\$50,000) and no pension shall be payable until such amount has been accumulated. However, should any member be retired between the effective date of this section, and the date when the payment of pensions from the Fund shall begin, shall receive his pension payments on the date when the amount of the principal Fund shall have been accumulated to the sum of fifty thousand dollars (\$50,000) provided that such person shall continue to make monthly contributions to the Fund, at the same rate as when he ceased to be in the service of the City until he or she begins to receive pension payments. (Ord. 11-1997. Passed 7-15-97.)

171.11 EXEMPTION.

(a) All pensions granted under this article and every portion thereof, shall be exempt from attachment or garnishment processes and shall not be seized, taken or subject to detainer or levied by virtue of any execution of any processes issued out of or by any court in this State or other authority for the payment and satisfaction in whole or in part of any claim, damage, demand or judgment against any pensioner. No pensioner shall have the right to transfer or assign his pension or any part thereof, either voluntarily or involuntarily, nor shall he or she have the right or power to mortgage or otherwise encumber the same or any part thereof.

Notwithstanding the provision of this or any article to the contrary, all allowances of persons receiving retirement allowance or disability retirement allowance from the Firefighter's Pension Fund, after such persons have attained age sixty-five, shall be increased by twenty-five percent (25%) of the annual increase in salary, if any, given after such date to active firefighters of the highest pay grade. Disability retirement allowance, as added by this amendment, shall become effective as of May 1, 1991 and shall not be retroactive. 185.01 SHORT TITLE.

This act may be cited as the "City of York Human Relations Ordinance."
 (Ord. 9-98. Passed 9-15-98.)

185.02 FINDINGS AND DECLARATION OF POLICY.

(a) The practice or policy of discrimination against individuals or groups by reason of their race, color, familial status, religious creed, ancestry, age, sex, national origin, sexual orientation, disability, use of guide or support animals because of the disability of the user or because the user is a handler or trainer of support or guide animals is a matter of concern of the City. Such discrimination foments domestic strife and unrest, threatens the rights and privileges of the inhabitants of the City, and undermines the foundations of a free democratic society.

The denial of equal employment, housing and public accommodation opportunities because of such discrimination, and the consequent failure to utilize the productive capacities of individuals to their fullest extent, deprives large segments of the population of the City of earnings necessary to maintain decent standards of living, necessitates a resort to public relief and intensifies group conflicts, thereby resulting in grave injury to the public health and welfare, compels many individuals to live in dwellings which are substandard, unhealthy and overcrowded, resulting in racial segregation in public schools and other community facilities, juvenile delinquency and other evils, hereby threatening the peace, health, safety and general welfare of the City and its inhabitants.

(b) It is hereby declared to be the public policy of this City to foster the employment of all individuals in accordance with their fullest capacities regardless of their race, color, religious creed, ancestry, age, familial status, sex, national origin, sexual orientation, disability, use of guide or support animals because of the disability of the user or because the user is a handler or trainer of support or guide animals, and to safeguard rights to obtain and hold employment without such discrimination, to assure equal opportunities to all individuals and to safeguard rights to public accommodation and to secure housing accommodation and commercial property regardless of race, color, familial status, religious creed, ancestry, age, sex, national origin, sexual orientation, disability, use of guide or support animals because of the disability of the user or because the user is a handler or trainer of guide or support animals.

(c) This article shall be deemed an exercise of the powers granted to the City under applicable State and Federal laws for the protection of the public welfare, prosperity, health and peace of the people of the City of York. The provisions of this article shall be construed liberally for the accomplishment of the purposes therein.
(Ord. 9-98. Passed 9-15-98.)

185.03 GENERAL PURPOSE.

The opportunity for an individual to obtain employment for which he is qualified, and to obtain all the accommodations, advantages, facilities and privileges of any public accommodation and of any housing accommodation and commercial property without discrimination because of race, color, familial status, religious creed, ancestry, disability, age, sex, national origin, sexual orientation, the use of a guide or support animal because of the disability of the user or because the user is a handler or trainer of support or guide animals is hereby recognized as and declared to be a civil right which shall be enforceable as set forth in this article.

(Ord. 9-98. Passed 9-15-98.)

Nothing in subsection (b) hereof shall bar any institution or organization for disabled persons from limiting or giving preference in employment or membership to disabled persons.

(j) It shall not be an unlawful employment practice for an employer to express a preference for a certain kind of applicant where the position to be filled requires special qualifications, skills or experience as long as such preference is not on the basis of race, color, religious creed, ancestry, age, sex, national origin or disability, the use of a guide or support animal, or sexual orientation. Likewise, this section of the article shall not be construed to prohibit the refusal to hire or the dismissal of a person who is not able to function properly in the job applied for or engaged in.

It shall be unlawful for any person or other entity whose business includes engaging in real estate-related transactions to discriminate against any person in making available such a transaction or in the terms or conditions of such a transaction because of race, color, religious creed, ancestry, national origin, sexual orientation, sex, age, disability, use of a guide or support animal because of the disability of the user or because the user is a handler or trainer of guide or support animals or familial status.
 - B. It shall be unlawful for any real estate broker or real estate sales person or agent, or any other person for business or economic or other purposes to induce, directly or indirectly, or to attempt to induce, directly or indirectly, the sale or rental or the listing for sale or rental, of a housing accommodation by representing that a change has occurred or will or may occur with respect to the racial, age, religious, ethnic, gender, disability, the use of a guide or support animal, familial status or sexual orientation, composition of the street, block, neighborhood or area in which such housing accommodation is located.

- C. Nothing in this act prohibits a person engaged in the business of furnishing appraisals of real property to take into consideration factors other than race, color, religious creed, ancestry, national origin, sexual orientation, sex, age, disability, use of a guide or support animal because of the disability of the user or because the user is a handler or trainer of guide or support animals or familial status.
- (10) Discriminate by engaging in certain real estate practices, including:
- A. Inducing, soliciting or attempting to induce or solicit for commercial profit any listing, sale or transaction involving any housing accommodation or commercial property by representing that such housing accommodation or commercial property is within any neighborhood, community or area adjacent to any other area in which there reside, or do not reside, persons of a particular race, color, familial status, age, religious creed, ancestry, sex, national origin, sexual orientation, disability, or who are guide or support animal dependent.
 - B. Discouraging, or attempting to discourage, for commercial profit, the purchase or lease of any housing accommodation or commercial property by representing that such housing accommodation or commercial property is within any neighborhood, community or area adjacent to any other area in which there reside, or may in the future reside in increased or decreased numbers, persons of a particular race, color, familial status, age, religious creed, ancestry, sex, national origin, sexual orientation, disability, or who are guide or support animal dependent.
 - C. Misrepresenting, creating or distorting a circumstance, condition or incident for the purpose of fostering the impression or belief, on the part of any owner, occupant or prospective owner or occupant of any housing accommodation or commercial property, that such housing accommodation or commercial property is within any neighborhood, community or area adjacent to any other area which would be adversely impacted by the residence, or future increased or decreased residence, of persons of a particular race, color, familial status, age, religious creed, ancestry, sex, national origin, sexual orientation, disability, or who are guide or support animal dependent within such neighborhood, community or area.
 - D. In any way misrepresenting or otherwise misadvertising within a neighborhood or community, whether or not in writing, that any housing accommodation or commercial property within such neighborhood or community is available for inspection, sale, lease, sublease or other transfer, in any context where such misrepresentation or misadvertising would have the effect of fostering an impression or belief that there has been or will be an increase in real estate activity within such neighborhood or community due to the residence, or anticipated increased or decreased residence, of persons of a particular race, color, familial status, age, religious creed, ancestry, sex, national origin, sexual orientation, disability, or the use of a guide or support animal because of the disability of the user.

- (11) For any person with the intention of defeating the purposes of this article to sell, lease or transfer or attempt to sell, lease, or transfer or offer, advertise, or make available for sale, lease, or transfer any housing accommodation which is the subject of a written verified complaint filed with the Commission until final determination of the complaint.
- (11.1) For any person, after a complaint regarding a housing accommodation has been filed and prior to final determination by the Commission, to fail to include a notice of the complaint in any subsequent lease or agreement of sale involving that housing accommodation.
- (12) Nothing in this clause, regarding age or familial status, shall apply with respect to housing for older persons.
- (13) Nothing in this clause shall bar any religious or denominational institution or organization or any charitable or educational organization which is operated, supervised or controlled by or in connection with a religious organization or any bona fide private or fraternal organization from giving preference to persons of the same religion or denomination or to members of such private or fraternal organization or from making such selection as is calculated by such organization to promote the religious principles or the aims, purposes or fraternal principles for which it is established, or maintained. This exemption requires that the dwelling be owned and operated for other than a commercial purpose.
- (13.1) The religious organization exemption applies only when membership in the religion is not restricted on account of race, color, ancestry, national origin, sexual orientation, sex, age or disability.
- (13.2) The exemption for a fraternal organization is only for a private club not in fact open to the public and applies only to lodgings provided as an incident to the club's primary purpose.
- (14) Nothing in this clause shall apply:
 - A. With respect to discrimination based on sex, to the rental or leasing of housing accommodations in a single-sex dormitory.
 - B. To the rental of rooms in a landlord occupied rooming house with a common entrance. This exemption is limited to rooms or units containing living quarters occupied or intended to be occupied by no more than two families living independently of each other, if the owner actually maintains and occupies one of such living quarters as his or her residence. NOTE: A "family" includes one person.
- (15) Nothing above shall prevent the Commission from requiring reports, information or answers to questions regarding race, color, familial status, religion, creed, ancestry, age, sex, national origin, sexual orientation or disability, or the use of a guide or support animal because of the disability of the user or because the user is a handler or trainer of support or guide animals, in connection with their compliance procedure of affirmative action or educational programs.

NOTE: Everything in this section is subject to Subtitle B at Title 24 of the Code of Federal Regulations (CFR) Part 100 - Discriminatory Conduct Under the Fair Housing Act. Specifically, the exemptions at §100.10 are not subject to §804 (except (c)) but are subject to §§805, 806 and 818 of the Fair Housing Amendments Act of 1988.

(b) Prohibited Interference, Coercion or Intimidation.

- (1) It shall be unlawful to coerce, intimidate, threaten, or interfere with any person in the exercise or enjoyment of, or on account of that person having exercised or enjoyed, or on account of that person having aided or encouraged any other person in the exercise or enjoyment of, any right granted or protected by this part, in accordance with the Fair Housing Act §818.
- (2) Conduct made unlawful under this section includes, but is not limited to, the following:
 - A. Coercing a person, either orally, in writing, or by other means, to deny or limit the benefits provided that person in connection with the sale or rental of a dwelling or in connection with a residential real estate-related transaction because of race, ancestry, age, color, religion, sex, disability, familial status, sexual orientation or national origin.
 - B. Threatening, intimidating or interfering with persons in their enjoyment of a dwelling because of race, ancestry, age, color, religion, sex, disability, familial status, sexual orientation or national origin of such persons, or of visitors or associates of such person.
 - C. Threatening an employee or agent with dismissal or an adverse employment action, or taking such adverse employment action, for any effort to assist a person seeking access to the sale or rental of a dwelling or seeking access to any residential real estate-related transaction, because of the race, ancestry, age, color, religion, sex, disability, familial status, sexual orientation or national origin of that person or any person associated with that person.
 - D. Intimidating or threatening any person because that person is engaging in activities designed to make other persons aware of, or encouraging such other persons to exercise, rights granted or protected by this article.
 - E. Retaliating against any person because that person has made a complaint, testified, assisted, or participated in any manner in a proceeding under this article or the Fair Housing Act.

(b) Except as may be required in an emergency or where personal presence is indispensable to the orderly transaction of public business, no employee shall be required to remain at the place of employment during any day or days or portion thereof that, as a religious requirement, the person observes as the Sabbath or other holy day, including a reasonable time prior and subsequent thereto for travel between the place of employment and home, provided however, that any such absence from work shall, wherever practicable in the judgment of the employer, be made up by an equivalent amount of time and work at some other mutually convenient time, or shall be charged against any leave with pay ordinarily granted, other than sick leave, provided further, however, that any such absence not so made up or charged, may be treated by the employer of such person as leave taken without pay.

(c) This section shall not be construed to apply to any position dealing with the public health or safety where the person holding such position must be available for duty whenever needed, or to any position or class of positions duties of which are such that the personal presence of the holder of such position is regularly essential on any particular day or days or portion thereof for the normal performance of such duties with respect to any applicant therefor or holder thereof who, as a religious requirement, observes such as the Sabbath or other holy day.

185.11 PROCEDURE.

(a) Any person claiming to be aggrieved by an alleged unlawful discriminatory practice, may make, sign and file with the Commission a verified complaint in writing which shall state the name and address of the persons alleged to have committed the unlawful practice and the particulars thereof. The complaint shall also contain such other information as may be required by the Commission. The Commission, upon its own initiative, may in like manner sign and file a complaint. The complainant shall have the power to fairly and reasonably amend any complaint, and the respondent shall have the like power to amend an answer. The Commission's right to amend a complaint is hereby limited to those complaints initiated and filed by the Commission.

(b) After the filing of any complaint the Commission shall make a prompt investigation. In the conduct of such investigation the Commission may issue subpoenas to any person to furnish information, records and other documents. The Commission must commence proceedings within thirty (30) days of receipt of the complaint. The Commission shall complete its investigation of a complaint within 100 days of receipt of the complaint, unless otherwise impracticable and, then, upon written notification and explanation of such impracticability to all parties. Administrative disposition of a complaint shall be within one (1) year of its filing and, if otherwise impracticable, upon written notification to all parties of the reasons for such impracticability.

(c) At the time of filing a complaint, the Commission shall advise the complainant of the time limits and choice of forums and advise the respondent of procedural rights.

(d) Upon the filing of a complaint, the Commission shall send a copy of the complaint to the complainant and to the named respondent within ten (10) days from the date of docketing the complaint, unless otherwise required by the Fair Housing Act.

(e) A respondent shall file a written, verified answer to the complaint within thirty (30) days of service of the complaint, unless otherwise required by the Fair Housing Act. The Commission, upon request of the respondent, may grant an extension of not more than thirty additional days, unless otherwise required by the Fair Housing Act.

(f) If after thirty (30) days (in no case more than sixty (60) days with an extension granted by the Commission) a respondent fails to answer the complaint, the allegations contained within said complaint will be deemed admitted by respondent and the Commission will proceed as if respondent had filed an answer admitting the allegations contained within the complaint.

(g) After service of the complaint, the Commission shall encourage voluntary and informed predetermination settlements between parties.

(h) If it is determined after such investigation that there is no basis for the allegations of the complaint, the Commission shall, within ten (10) days from such determination, cause to be issued and served upon the complainant written notice of such determination. The notices shall also state that the complaint will be dismissed unless within ten (10) days after such service the complainant or his attorney file, with the Commission, a request for a review hearing. The Commission shall, upon request for such a hearing, provide the complainant and his attorney, if any, an opportunity to appear before the Commission, a member thereof or a staff representative of the Commission, at the election of the Commission to present such additional information as may be available to support the allegations of the complaint. If, after such a hearing, the Commission or its representative determines that there is no basis for the allegation the complaint shall be dismissed and there shall be no appeal from such a decision.

(i) If the Commission, after investigation, determines that probable cause exists, the Commission shall promptly issue a charge and immediately endeavor to eliminate the unlawful practice complained of by conference, conciliation, and persuasion. Any conciliation agreement arising out of conciliation efforts by the Commission shall be an agreement between the respondent and the complainant and shall be subject to the approval of the Commission. Each conciliation agreement shall be made public unless the complainant, respondent, and Commission all agree that disclosure is not required to further the purposes of this article.

(j) If the Commission, in its discretion, finds it is not possible to eliminate such unlawful practices by persuasion, the Commission shall cause to be issued and served a written notice, together with a copy of such complaint as originally filed or as the same may have been amended by the Commission, requiring the respondent to answer the charges of such complaint at a hearing before the Commission at a time and place to be specified in such notice. The Commission may designate one or more of its members to preside at such meeting, or it may at its election conduct such hearing en banc.

(1) Whenever notice of a hearing has been given under this subsection, either party may elect to have the claim asserted in the complaint decided in a civil action brought under the original jurisdiction of the Court of Common Pleas of York County. The written notice of the Commission shall inform the parties of this right. An election must be made within twenty (20) days after receipt of the notice of hearing. If an election for civil action is made by either party, the Commission shall, within thirty (30) days from the date of election, commence and maintain a civil action on behalf of the complainant.

(k) The case in support of the complaint shall be presented to the Commission by its attorney or by a member of its staff. The respondent may file a written verified answer to the complaint and appear at such hearing in person or with counsel. The Commission shall not be bound by the strict rules of evidence prevailing in courts of law or equity. The testimony taken at the hearing shall be under oath and shall be recorded by a stenographer which shall be transcribed if necessary.

(l) If, upon all the evidence at the hearing, the Commission finds that the respondent has been engaged in or is engaged in any unlawful practice, the Commission shall state its findings of fact and shall issue and cause to be served on the respondent an order requiring the respondent to cease and desist from such unlawful practice or practices and to take such affirmative action, including, but not limited to hiring, reinstatement or upgrading of employees, with or without back pay, restoration to membership in any respondent labor organization, or the extension of full, equal and unsegregated accommodation, advantages, facilities and privileges to all persons, and/or such other equitable and civil remedies including but not limited to compensatory damages, attorney's fees, out-of-pocket expenses, costs, and the assessment of a civil penalty as available under the Pennsylvania Human Relations Act, Act of Oct. 27, 1955, (P.L. 744, No. 222), as amended, as, in the judgment of the Commission, will effectuate the purpose of this article, and including a requirement for report of the manner of compliance.

(m) If, upon all the evidence, the Commission finds that the respondent has not engaged in any unlawful practice, the Commission shall state its findings of fact and shall dismiss the complaint. Notice of such action shall be given to the complainant and respondent.

(n) Any complaint filed pursuant to this section must be so filed within 180 days after the alleged act of discrimination, unless otherwise required by the Fair Housing Act. Any complaint may be withdrawn at any time by the party filing the complaint.

(o) In all situations which may require prompt judicial relief, including those situations when it appears that a housing unit or units involved in a complaint may be sold, rented or otherwise disposed of before a determination of the case has been made, and the Commission shows probable cause for the complaint, the Court of Common Pleas of York County may issue an injunction restraining the complained of activity, including injunction of the sale, rental or other disposition of the unit or units except in compliance with the order of court. The court may attach to any such injunction granted such other conditions as it deems proper. Such injunction, if issued, shall be of no more than thirty (30) days duration. If an extension of time is required, this extension may be granted at the discretion of the court but a reasonable bond may be required by the court before granting such extension.

(p) In cases involving a claim of discrimination, if a complainant invokes the procedures set forth in this article, that individual's right of action in the courts of the Commonwealth shall not be foreclosed. If the court finds that the respondent has engaged in or is engaging in an unlawful discriminatory practice charged in the complaint, the court shall enjoin the respondent from engaging in such unlawful discriminatory practice and order affirmative action which may include, but is not limited to, reinstatement or hiring of employees, granting of back pay, compensatory or punitive damages, attorney's fees, or any other legal or equitable relief as the court deems appropriate.
(Ord. 9-98. Passed 9-15-98.)

185.12 ENFORCEMENT AND JUDICIAL REVIEW.

The complainant, the City or the Commission may secure enforcement of the order of the Commission or other appropriate relief by the Court of Common Pleas of York County. When the Commission has heard and decided any complaint before it, enforcement of its order shall be initiated by the filing of a petition in such court, together with a transcript of the record of the hearing before the Commission, and issuance and service of a copy of such petition as in proceedings in equity. When enforcement of a Commission order is sought, the court may make and enter, upon the pleadings, testimony and proceedings set forth in such transcript, an order or decree enforcing, modifying and enforcing as so modified, or setting aside, in whole or in part, the order of the Commission, and the jurisdiction of the court shall not be limited by acts pertaining to equity jurisdiction of the courts. Any failure to obey an order of the court may be punished by such court as a contempt thereof. A final order entered by the Commission is an appealable order.

(Ord. 9-98. Passed 9-15-98.)

185.13 CONFLICT.

When a provision of this article is found to be in conflict with a provision of any other City ordinance, or any regulation issued under the authority of such ordinance, the provisions which establish the higher standard for the protection of health, safety and welfare shall prevail.

(Ord. 9-98. Passed 9-15-98.)

185.14 AUTHORIZATION TO RECEIVE DONATIONS.

The authorization and appropriation of public funds to the Human Relations Commission shall not preclude the Commission from accepting donations, to be used in administering this article, from any other sources, public or private.

(Ord. 9-98. Passed 9-15-98.)

185.15 ADDITIONAL COVERAGE.

(Ord. 1-2000. Passed 1-18-00.)

190.05 BOARD'S POWERS.

The Board shall have the power to hear appeals from decisions and interpretations of the code officials or designees of the Department of Economic Development and the Department of Fire/Rescue Services and to consider equivalencies to the requirements of the various technical codes as adopted by the City. For the purposes of this article, "technical codes" means the Building Code, Fire Prevention Code, Electrical Code, Mechanical Code, Plumbing Code, and Property Maintenance Code of the City, their associated reference standards and codes, and any rules and regulations promulgated thereunder. 190.06 APPEALS.

The owner of a building, structure or service system, or his duly authorized agent, or a person who has been issued an order or directive pursuant to the technical codes may appeal a decision of the code officials or designees of the Department of Economic Development and/or the Department of Fire/Rescue Services to the Board whenever any one or more of the following conditions is claimed to exist:

- (a) The code officials or designees of the Department of Economic Development and/or the Department of Fire/Rescue Services have rejected or refused to approve the mode or manner of construction proposed to be followed or materials to be used in the installation or alteration of a building, structure or service system.

The Board when so appealed to and after a hearing, may alter the application or any provision of the technical codes to any particular case when, in its opinion, the enforcement thereof would do manifest injustice or would be contrary to the spirit and purpose of these or the technical codes or public interest, and also finds the following:

- (a) That special conditions and circumstances exist which are peculiar to the building, structure or service system involved which are not generally applicable to other buildings, structures, or service systems.
 - (b) That the special conditions and/or circumstances do not result from the willful action or inaction of the applicant.
 - (c) That granting a request will be based upon a decision that the true intent and scope of the codes in question is met, and that alternate materials, methods, or means of construction provide an equivalent level of protection.
 - (d) That the request granted is the minimum action that will make possible the reasonable use of the building, structure or service system.
 - (e) That the grant of the request will be in harmony with the general intent and purpose of the technical codes and will not be detrimental to the public health, safety and general welfare.
- (Ord. 1-2000. Passed 1-18-00.)

190.08 TIME LIMIT FOR VARIANCES.

Violation of the conditions and/or safeguards shall be deemed a violation of the technical codes.

(Ord. 1-2000. Passed 1-18-00.)

190.09 NOTICE OF APPEAL.

The notice of appeal shall be in writing and filed within thirty calendar days after the decision is rendered by the code officials or designees of the Department of Economic Development and/or the Department of Fire/Rescue Services. The notice of appeal shall be filed in a form acceptable to the Board and shall be accompanied by the appropriate fee as is otherwise set forth by resolution of the Council.

(Ord. 1-2000. Passed 1-18-00.)

The Board shall establish such rules and regulations for its own procedure not inconsistent with the provisions of this article. The Board shall meet on the call of the chairman, or shall meet within thirty days after notice of an appeal has been received, or at such regularly scheduled periodic meetings as the Board shall annually set. Notice of the annual schedule of meetings or other meetings of the Board shall be published in a newspaper of general circulation one time.

(Ord. 1-2000. Passed 1-18-00.)

190.11 DECISIONS OF THE BOARD.

The Board shall, in every case, reach a decision without unreasonable or unnecessary delay. Each decision of the Board shall also include the reasons for the decision. If a decision of the Board reverses or modifies a refusal, order, or disallowance of the code officials or designees of the Department of Economic Development and/or the Department of Fire/Rescue Services, the code official or designee shall immediately take action in accordance with such decision. Every decision shall be promptly filed in writing with the office of the City Clerk and the code officials or designees of the Department of Economic Development and the Department of Fire/Rescue Services and shall be open to public inspection. A certified copy of the decision shall be sent by mail or otherwise delivered to the appellant and a copy shall be kept publicly posted in the office of the code officials or designees of the Department of Economic Development and the Department of Fire/Rescue Services for two weeks after filing. Every decision of the Board shall be final; subject however, to such remedy as any party may have at law. (Ord. 1-2000. Passed 1-18-00.)

The members of the Board may be compensated as otherwise provided for by resolution of Council. (Ord. 1-2000. Passed 1-18-00.)
